

## **YOU'RE INVITED**

The City of Fort Scott, Bourbon County and the Kansas Department of Transportation invite citizens and business owners interested in learning about the outcomes of the US 69 Corridor Study to an open house and presentation.

**Thursday, January 14, 2009**

**4 - 7 p.m.**

**Formal Presentation at 5:30 p.m.**

**Fort Scott Middle School Commons Area**

**1105 E. 12th St.**

**Fort Scott, KS 66701**

The final recommendations of the Corridor Management Plan will be presented at 5:30 p.m. The presentation will outline the life of the existing US 69 corridor, how to extend the life of the corridor, ways to improve traffic flow and safety and land use recommendations that could attract economic development and tourism to Fort Scott. Members of the study team will be available before and after the presentation to discuss the plan and answer questions. Additional information about the study may be obtained by contacting Priscilla Petersen, KDOT Public Affairs Manager, at 1-877-550-5368, by visiting [www.us69corridorstudy.com](http://www.us69corridorstudy.com) or through e-mail at [info@us69corridorstudy.com](mailto:info@us69corridorstudy.com).
